Intelligent and Self-Customizable Lead Management Technology

Full Circle Matchmaker is easily self-configurable through a simple UI. With a few dropdowns and drag-and-drops, customize the underlying logic through a built-in intelligent matching rules engine and intuitive assignment and conversion settings. Whether you prefer a more out-of-the-box setup or tweaking the rules to fit the workflows of your business, Full Circle Matchmaker was built to ensure that the matching, conversion, and routing fits your unique needs.

A few of the self-customization features include:

- Enabling and disabling of Matchmaker flows at the click of a button
- Drag-and-drop rule prioritization for "tie-breaker" lead matching logic
- Email domain matching logic with exclusions for popular free email services
- Dropdowns for precise lead assignment to sales owners with support for exclusion rules
- Definitions for responses and response types in Account Activity Ratings
- Batch scheduling and one-time batch running
